## Parent Information

At Flying Fox preschool we value and embrace our locations and the relationship we have with the public schools and communities in which we are located. This relationship strengthens our service and allows us to provide high quality care while extending children's confidence and giving them opportunities to engage with the school environment in which they may be attending. This allows for strong transitions to school as your child is already familiar with the environment.

This term we were lucky enough to join Lansdowne school for the National Simultaneous Storytime where we had the story "Alpacas with Maracas" read to us at the same time as schools all around Australia.

We also joined Lansdowne school for a Mid Coast Waste Management program where we learnt about recycling, reducing our waste and looking after the environment.

At Mount George we shared an amazing cultural performance with the school. The performance included elements of the Aboriginal culture through dance, story, music and historical learning.

Next term we are excited to engage in some more programs and performances to extend our learning. Keep an eye out for what we have coming up!

### Thankyou

Thankyou to everyone who donated to the Asthma Foundation for our PJ Week. We will combine our donations with Wingham Preschool to support this cause.

Thankyou to all who collected the Woolworths Earn and Learn stickers. The program has now ended but we have time to gather and send in our collection so if you have any lying around at home please bring them in.

### Term 3 Reminder

The first Monday back to Flying Fox for term 3 (22nd July) is a pupil free day at school so we not be able to run Flying Fox that day. Thankyou for your understanding.

### Welcome

Welcome to our new families who have joined our Flying Fox locations!

# Photos from Flying Fox Venues

## Cooperbrook

Team Work—Working together to build a train track, negotiating, problem solving and planning  
Sensory play—gelisnow to investigate

## Tinonee

Box construction—free choice, planning and creating using recycled materials  
Playdough—manipulating and creating with the playdough and tools

## Lansdowne

Sandart—designing and making mandalas, putting our own unique creativeness into our pattern  
Listening game—developing attention, focus and active listening skills

## Elands

Barbies—engaging in social play to develop game with our peers  
Homecorner—exploring roles and elements of our home life through play

## Mt George

Cutting and pasting—developing scissor skills through cutting around pictures  
Gardening—engaging with our environment

## Is Your Child Attending School in 2020?

Next term we will be gathering information from families about children attending school in 2020. We are always available to discuss with families who are undecided about whether or not to send their child to school, any concerns families have about the transition or any additional information families are requiring. Please speak to us if you have any questions. We will also let families know of any additional information events from our local schools as we come across them.

**Last day of preschool for term 2 — Friday 5th July**  
**First day of preschool for term 3 — Tuesday 23rd July**
